Financial Policy

Our goal is to provide the highest quality of healthcare possible for our patients. In order to achieve this goal we need your commitment as well.

- **We urge you to follow the doctor's recommendations for care. Please keep your appointments as scheduled or call our office as soon as possible to make any changes. In order to obtain the level of achievement we both desire, care must be followed.**
- **I authorize Midwest Family Wellness to release any information deemed appropriate concerning my physical condition to any insurance company, attorney, or adjuster in order to process any claim for reimbursement of charges incurred by me.**
- **We will bill your insurance for all procedures completed in our office. Your insurance may or may not cover all of these services. We do not cater our care to what your insurance covers, but by what the doctors feel is necessary to correct any vertebral subluxations we find. Although your benefits may show that a procedure is covered it is not a guarantee of payment. We will always submit any information which your insurance may request in order to have your claims paid. However, you will be responsible for any amount which your insurance does not cover, unless a prior agreement between you and Midwest Family Wellness exists. Payment will be expected within 30 days of notification of the amount due.**
- **Should insurance payments be remitted to you, the patient, in the form of PR 100's, those payments will need to be submitted to Midwest Family Wellness immediately.**
- **Midwest Family Wellness is a provider with Medicare. After you have met your deductible, Medicare Part B pays for a portion of the visits when you are adjusted only if you have first had an exam and x-rays.**
- **All charges are to be paid by cash, check or credit card before services are rendered. We do not bill for services rendered.**
- **You are expected to make us aware of any changes to your insurance.**
- **If you have any questions about our financial policies, please ask to speak to our financial officer. If you need to make special arrangements, please ask. We will do everything possible to make sure your chiropractic care fits into your budget.**
